INTERNATIONAL FUEL TAX AGREEMENT (IFTA) CARRIER LICENCE

This IFTA Carrier Licence authorizes travel in all member jurisdictions. Enclosed are 15 sets of IFTA decals (Serial Numbers 05149 through 05163 inclusive). A set of two decals is required for each vehicle, and placement information is on the back of each decal set.

Carriers that are issued IFTA licenses must ensure they are familiar with the information on the back of this page, and in the attached Summary of Responsibilities. In addition:

- Your IFTA Licence now identifies the serial numbers of the IFTA decals covered by this licence. If additional decals are required, a supplementary IFTA Licence will be issued covering the serial numbers of the additional decals. Carriers must ensure the serial numbers listed on the IFTA licence carried in each vehicle corresponds to the serial number of the decals placed on the cab of the vehicle.
- Your IFTA Carrier Licence is valid until December 31st of the year for which it is issued and will be renewed if all prior returns and payments have been received and processed, including your third quarter return which is due by October 31st. A renewal form, for the next calendar year, will be sent to you in October. On December 31st your current licence(s) will automatically expire and you will be required to purchase trip permits each time your vehicle(s) enter an IFTA jurisdiction.
- Your licence will be revoked for all member jurisdictions if any returns or funds are owing.

If you require further information, go to web-site gov.bc.ca/salestaxes, email the Fuel and Carbon Tax Section at FuelTax@gov.bc.ca or send a fax to 250 387-5882.

CERTIFICATE
MC-860085-C
U.S. DOT No. 2484569
PILLARS TRANSPORT INC
DELTA, BC, CA

This Certificate is evidence of the carrier's authority to engage in transportation as a common carrier of property (except household goods) by motor vehicle in interstate or foreign commerce.

This authority will be effective as long as the carrier maintains compliance with the requirements pertaining to insurance coverage for the protection of the public (49 CFR 387) and the designation of agents upon whom process may be served (49 CFR 366). The carrier shall also render reasonably continuous and adequate service to the public. Failure to maintain compliance will constitute sufficient grounds for revocation of this authority.

PILLARS TRANSPORT INC

On Behalf of U.S. Customs and Border Protection(CBP), I am pleased to welcome PILLARS TRANSPORT INC as a certified partner in the Customs-Trade Partnership Against Terrorism (C-TPAT) program. By participating with CBP, you are making a vital contribution to help us secure our borders and ensure the continued free flow of international trade.

Your role as a C-TPAT partner is to continue to ensure that appropriate security measures based upon risk analysis and consistent with C-TPAT security criteria, are maintained in a documented and verifiable format throughout your international supply chains. C-TPAT partners must also have a documented and verifiable process for the selection of business partners and ensure that these business partners develop security procedures consistent with C-TPAT security criteria.

To meet these obligations and the security standards established under the C-TPAT program, it is necessary that a security self-assessment process be developed and implemented. Additionally, these assessments should identify and institute any enhancements or updates to your supply chain program. All aspects of the security self-assessment must be verifiable, documented, reviewed on a regular basis and updated as warranted.

CBP's commitment to you, consistent with our goals of security and facilitation of trade moving into the United States, is to provide a secure entry process marked by the efficient release of goods and prompt resolution of CBP issues. At this time, CBP will proceed to provide PILLARS TRANSPORT INC with C-TPAT benefits which may include reduced cargo exams, training and sharing of information.

Again, I welcome PILLARS TRANSPORT INC as a certified C-TPAT partner, and I thank you in advance for your support in this evolutionary and cooperative effort to build a more secure and more efficient global trade environment.

Please visit our website and log into the C-TPAT secure web portal at <https://ctpat.cbp.dhs.gov> in order to learn to which C-TPAT field office and Supply Chain Security Specialist (SCSS) your company has assigned

CBP created the C-TPAT validation process to ensure that the security measures declared in a participant's C-TPAT security profile are effective. CBP will, to the extent practicable, conduct a C-TPAT validation not later than one year of the Partner's C-TPAT certification in accordance with section 215(a) of the "Security and Accountability for Every Port Act of 2006" (SAFE Port Act), Pub. L. 109-347, 120 Stat. 1917.

Sincerely,

Liz Schmelzinger
